Dance Fusion offers three exciting dance programs to meet every child's needs...

**CORE PROGRAM** - our fundamental training program. Dancers take structured yet fun classes in the core dance styles, Ballet, Jazz and Tap. We combine two varieties of classes for dancers ages 2-8, to encourage children to master the fundamentals. This way dancers get to experience two genres of dance in a class for one great price.

**RECREATIONAL PROGRAM** - a continuation of our Core Program where dancers can train in other styles of dance. These classes are separated into hour long classes that focus on each form of dance separately. Genres include Hip Hop, Acro, and Jazz/Contemporary classes.

**COMPETITIVE PROGRAM** - our intensive dance training program for students who wish to fully immerse themselves in the world of dance. There are two options of commitment for our Company Program, our full-time and part-time programs. Our Competitive Program is for dancers ages 5-17 with previous dance experience. Please inquire for our competitive schedule and auditions.
