

## **DANCE FUSION PICTURE WEEK - MAY 27 TO JUNE 1 2023**

This year we have opted to do more of an in-house approach to Recital Pictures, and do them slowly over an entire weeks period. This will give us much more freedom to take our time with photos and make sure we capture that perfect memory of each dancer and class.

All of your dancer's individual and class photos will take place on their regular weekly class day/time. For example, if you take Hip Hop on Mondays at 5:30-6:30pm with Kiera, then your child's photos will take place on Monday May 29th @ 5:30-6:30pm.

Your photos were already paid for as part of your Recital Fee, so no need to pre-order anything or worry about placing an order the day of. We will take several individual photos of each dancer, and group photos as well.

Photos will be digitally uploaded online into folders for each class 2-3 weeks following and parents will gain access to all of their dancers photos at that time.

### **\*\*\*during Picture Week...**

-You can arrive at the studio before your normal class time.

-Costumes will be available to pick-up in Studio A upon arriving. Your costume will be all ready to go in a garment bag for you to take home following pictures.

-Girls, boys and family change rooms will be marked for you to use to change into your costume.

-All photos will take place in Studio C, but this room will only be open for dancers and staff. Parents can hang out in our lobby, kitchen area or feel free to also leave if you are used to that. Your dancer will be ready for pick up with their costume at the end of their normal class time.

-We will have a hair and make-up station set up in our kitchen area for any dancer who needs help with getting ready. We are happy to do touch ups as well if your dancer needs that during their picture hour. We want to make sure that all of our dancers look and feel like stars in their costumes.

-We also will have all of the costume and hair accessories at the studio, which will not be in your costume garment bag. These smaller accessories will also stay with us after pictures so that they do not get lost before the Recital.

We will email out more information and video tutorials regarding hair and make-up for our female dancers.

Please do not send your dancer with any jewelry on, or sparkly nail polish. These interfere with the big lights for pictures, and we do not want to have to remove any expensive jewelry and be responsible for it.

## DANCE FUSION PICTURE WEEK - MAY 27 TO JUNE 1 2023

Please reference your dancer's class for what they will need to go with their costume.
